

FISCAL NOTE

SB 3166 - HB 3109

March 16, 1998

SUMMARY OF BILL: Requires the Department of Health to supply building contractors with radon detection devices for single and multi-family residential buildings constructed after July 1, 1998. The cost of postage and testing is to be included with the device. The Department of Health and the State Contractors Board are to develop instructions on the use of radon testing devices for the owner or occupant of the residence.

ESTIMATED FISCAL IMPACT:

**Increase State Expenditures - \$1,479,000 (Recurring)
\$6,200 (One-time)**

Assumes the need for 71,000 testing units annually at a cost of \$20 each. Also assumes one position in the Department of Health to implement the program.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
